## BARS AND RESTAURANTS

At the Green Garden, gastronomy is a fundamental pillar within the hotel to complete a happy family holiday. Therefore, so that you can fully enjoy them, we recommend you to take the "all inclusive" option.

### "Las Palmeras" Restaurant

This way you will be able to enjoy all the options offered by its restaurant "Las Palmeras": breakfast buffet, barbecues, themed dinners and all the snacks and drinks from 11:00 to 23:00h.

### "Al Fresco" Breakfast

Getting up in the morning and enjoying your favourite meal outdoors, in front of the pool and surrounded by palm trees is a delight.

### Lunch

Enjoy the sun of the Canary Islands while your palate is delighted with a light lunch buffet, where fresh salads with local products, paella and barbecues are the protagonists.

### Themed dinners

Enjoy a new theme party every night at your buffet in the "Las Palmeras" restaurant. Special dishes from different countries that will take you around the world of flavours.

### "Green Forest" Restaurant

In progress (2023).
